Register for December Free Mediation Information Session

Be sure to register for the next Supreme Court of Western Australia free mediation information session. The first forum, held this month, was booked out.

The sessions are held on the first Friday of the month, with the next scheduled for 1pm on 1 December 2017 on level 8 at the David Malcolm Justice Centre.

Lawyers who attended the first session said they would like to come back and bring a client with them.

The information sessions give people the opportunity to see where mediations are conducted and to become familiar with the process. It is also suitable for junior practitioners who are looking forward to participating in mediations in future.

The one-hour sessions are open to everyone and are conducted by a mediation registrar. The session will not be held in January.
