Register for elodgment Information Session

Electronic filing of documents by the legal profession in the General Division civil jurisdiction of the WA Supreme and District Courts will be mandatory from **1 March 2018**. The Rules of Court which support mandatory electronic filing will also take effect from 1 March 2018.

In the lead up, the Courts strongly encourage all members of the profession to register for an elodgment account and commence using the system.

The Supreme and District Courts will conduct another information session for the profession on **12 February 2018**. The session will be conducted from 4.15pm – 6pm in Court 42 at the David Malcolm Justice Centre.

The free session will be split into two parts. The first part will cover an overview of the elodgment system and the second will provide an overview of changes to the Rules of Court.

Attendees may wish to attend both parts or simply attend the most relevant for their practice. Given the content of the sessions, it is likely that CPD points will be allocated.

To register, please email the Associate to the Principal Registrar - associate.principal.registrar@justice.wa.gov.au with your full name and contact details.
